THE OLD NORTH STATE.

HON. D. W. BAIN DIES AFTER A VERT PROLONGED ILLNESS.

He Served the State for Many Years With Faithfulness...The Vote of the Three Parties. The New Chief Justice.

RALEIGH, N. C., Nov. 16.-Special .- At 6 o'clock this evening the tolling of the city bells announced that Hon. D. W. Bain, State treasurer of North Carolina had breathed his last. He took a turn for the better yesterday, and there was hope of his recovery, but to-day he had another relapse, from which he did not rally. No death has occurred in years which will be more universally mourned by the whole people of the State. Mr. Bain was born in this city on the 2d of April, 1841; he received his education at the Lovejoy Academy, and in 1857 entered the service of the State as a clerk in the office of the comptroller. He served in that office for some years, when he was employed in the treasurer's office, where became chief clerk, which position he filled so satisfactorily and with such redit to himself, that, upon the retirement of Treasurer Worth, he was nominated by the Democratic party for that responsible position, was elected and was again re-elected four years ago. At the

again re-elected four years ago. At the recent election he was for the third time chosen to that high office.

In the discharge of his public duties Mr. Bain was affable and courteous, and was painstaking and exertal. He was accurate in his accounts and faithful in the courte of th every particular. He was thoroughly ac-quainted with the entire revenue system of the State, and was of great assistance to the finance committees of the Legislature in preparing their bills, while his opinions on the construction of the revenue act were generally accepted as decisive of all questions raised. His reports were clear and always to the point, and hts judgment concerning matters relative to his department was sound. In his operations handling the honds of the State where certain discretion was allowed him he managed so well as to save the State many thousands of dollars.

In February, 1867, he was appointed grand secretary of the Grand Lodge, a position which his father had held many years before his death. He has also been secretary of the Methodist Conference and has similarly served in other positions

Mr. Bain was all during manhood ember of the Methodist Church, and his perfect sincerity was, perhaps, his most prominent characteristic, and the confi-dence that was reposed in him was the reward of his undeviating truthfulness. In 1865 Mr. Bain was united in marriage to Miss Adelalde V. Hill, of this city, and

the union has been blessed with children.

A complete canvass of the returns of the presidential vote of the State shows that the Third party polled 48,000 votes for Weaver. This was more than was ex-pected. The Democratic vote was 135,000, and the Republican vote was 92,000, Governor Holt to-day formally tendered

to Associate Justice James E. Shepherd, of the supreme court, the appointment of justice of the court, to succeed the late Hon, A. S. Merrimon, and he has also appointed as associate justice to succeed Judge Shepherd, Mr. A. Burwell, of Charlotte. Mr. Burwell arrived her this morning, and at 10:30 o'clock the oath of office was privately administered to both by His Excellency, Governor Holt, at the executive office. The new chief jus-tice and associate will occupy their re-Epective places on the bench to-morrow, It is stated that Samuel McDowell Tate of Morganton, has been selected as the next treasurer of the State.

THE LATE CHIEF JUSTICE.

His Death Sincerely Mourned in the State-His Relatives in Asheville. ASHEVILLE, N. C., Nov. 16.-Special .-

On account of the death of Chief Justice A. S. Merrimon, who was a native of Buncombe county, and the precarious state of Treasurer Bain's health, the Democrats have indefinitely postponed their joilification over the election, which was to have taken place Tuesday night. Chief Justice Merrimon leaves a large circle of friends and relatives here to mourn his loss. Here he first began the practice of that profession which he after-wards so signally adorned, and Bun-combe has always felt a pardonable pride

in the career and destiny of her distin-A. S. Merrimon, as superior court judge did more to clarify the social atmosphere in these mountain regions just after the

Joe McClatchey and his son, Earnest, terrorized the Arden neighborhood again last Sunday night. They went to the house of a colored preacher, kicked the house of a colored preacher. Eacked the door down and nearly freightened the man to death. A warrant was sworn out and sent there to be served by an officer from Asheville. Deputy E. W. Green took it, went out to Arden and captured his men. They were brought in and were given a hearing before Squire A. T. IS IT WILLIAMS OR SETTLE? The Issue of the Election Still Involved in

Doubt-Third Party.

OXFORD, N. C., Nov. 16.-Special .-Although eight days since the election, it is not known as yet whether the Hon. A. H. A. Williams (Dem.) or Thomas Settle (Rep.) will represent the Fifth Corgressional district in the Fifty-third Congres, owing to the many illegalities in some of the counties of the district. This district is only about four hundred Democratic when everything is smooth end regular, but several counties in the district were the very hot bed of Third partylsm, and the fight was triangular. As to Mr. Lindsay, the Third party candidate, his followers were inflexible in their purpose to vote for him, though they were formerly Democrats and must have known that their course inured to the advantage of Settle. The Lindsay crowd would not go out to hear Democratic speakers. Although, as stated, Williams had only a very small majority to start with, and Lindsay re-ceived some five or six thousand votes, drawn almost entirely from the Demo-cratic strength, still the contest is so close that it is not yet known who is elected. Settle and Williams both claim it, but in view of the great irregularities that confuse the returns in some of the upper counties of the district, it may be

Raising-Destruction of a Mill. CHARLOTTE, N. C., Nov. 16 .- Special .-The enthusiasm aroused by the recent triumph of the Democratic party is gradually subsiding, and business is assuming more permanent aspect, preparatory to an increased volume of trade. News has just reached here of the burn-

ing of Lytch's mill and cotton gin, in Richmond county.

LAST GAME OF THE SEASON.

The University and Georgetown Teams Play-The Final Result a Tie.

UNIVERSITY OF VIRGINIA, Nov. 16. Special.-The last game of the season on the home grounds was played here this afternoon with Georgetown College, of Washington. The final result was a tie-4 to 4. The University made a touch down which was not allowed by the Georgetown referce. This decision seemed to all very rank, and several of his other rulings were of the same order. The visitors were several pounds heavier than the ome team, and played a very stiff game of foot-ball.

Dowd, the professional base-ball player played half back for them and did beautiful work. He played the prettiest game at half back seen on the grounds this year. Three times the home team was shoved back to their five-yard line, and each time rallied and sent the ball down the field. The Georgetown men were too heavy, and made holes for their backs nearly very time.

Penton and Massie held their men splendidly and got through often, and Bowden on the end was simply great. His tack-ling was low and sure, and he rarely let the runner around his end. He is improving daily, and at his present gait will surpass John Greenway, the best end rush

Marshall, who took Norton's place when the later was hurt, also played magnifi-cently, and will probably be a fixture on the right end after this if he recovers from the injuries received this evening Jones and Harper ran well, and the interrence was a great improvement.

The playing of the visitors was a great surprise. The betting was 2 to 1 on the University, without takers.

The teams lined up as follows: University of Virginia-Bowden, left end; Catchings and Humphries, tackle; G. Mahoney and Massle, guard, Early, centre; Penton right guard. Thomas and Hicks, right tackie; Norton and Marshall, right end; Dill, quarter

back; Jones, left half; Harper, right half back; Stone, full back. Georgetown College— E. Mahoney, left end; G. Mahoney, left tackle; Dyer, left guard; G'Neill, centre; Comerford, right guard; Walker, right tackle; Smith, right end; Bahen, quarter back; Dowd, left half back; Segar, right half back; Murphy,

Attendance, 400. Touch downs-Thomas 1; Murphy, 1. Injured-Norton; Marshall substituted; Marshall; Humphries substituted, Umpire-Spicer, Referee-Camp-

The teams leave Wednesday for Atlanta, Ga., where they play Trinity, North Carolina, and Auburn, Alabama, for the championship of the South. In view of the defeat of the Trinity by the University of North Carolina, whom University bent in 29 to 18, it is anticipated that the championship will almost surely land here.

CHASE CITY CELEBRATES

The Great Victory With Torchlight Pro-

CHASE CITY, VA., Nov. 15.-Special .-We celebrated our victory with the biggest demonstration of the kind ever seen in this section. The people assembled at the Centre warehouse, formed a torch-light procession and marched to a hill in the eastern part of town, where they had a bonfire and more fireworks than were ever put off here at one time before. After the fireworks speeches were made at the Mineral Hotel by Captain T. D. Jeffress and County Chairman Colonel W. T. Atkins. The whole was under the auspices of the Democratic club, Mr. E. M. Holt, president. M. Holt, president.

That tired, aching and dragging feeling bothered me so at times that I could not do my work. Every three weeks or so I had to go to a doctor to get patched up. I went to seven doctors, who fixed me up for the time being. When I called at Dr. Coates office I felt all broke up. I felt dizzy and confused and suffered with constant headache. SUDDEN AND STARTLING.

What Is It? What is the Matter?

Women are great sufferers from pervousness, weakness, female complaints, kidney and liver diseases, nervous pros-tration and debility. Thousands droop and languish in close, confined shops, factories or offices, and hundreds of thousands wear out their nerve power in household cares and work.

What wonder that they become worn out in nerve and vital power, and have great weakness, exhaustion, pain in back and limbs and the distressing female com-plaints caused by loss of vital strength!

The great nerve invigorator and female restorative is Dr. Greene's Nervura blood and nerve remedy. No remedy in the world is so sure to bring back the bloom and color to the cheek, the brilliancy to the eyes, the elasticity to the step, the strength and vitality to the unstrung, shattered and worn out nerves. It is the greatest of all uterine tonics and regulators, and cures all female weakness, kidney and liver complaints, constipation and irregularities. All weak and suffer-ing women should use this wonderful remedy immediately. Purely vegetable and harmless. Druggists, \$1.00.

"For three years I have suffered intense ly with general debility and nervous pros-tration. So worn out was I that I would have frequent fainting spells, alarming myself and friends. I found immediate relief on taking the first dose of Dr. Greene's Nervura blood and nerve remedy, and was recovering before one-half bottle was used. The use of five bottles effected a complete cure. I can heartly recommend it to those afflicted in like manner. Mrs. M. Walsh, 8 Second street, Providence, R. I."
